2. My child played last season. Will he/she go back on the same team?
 - a. If your child played last year and is playing again this year, then he/she will go back on the same team unless he/she aged up to another age group bracket.

 - a. If you register on time and not late, siblings in the same age group will be placed on the same team.
4. My child has advanced baseball skills for his age. Can I register him/her for a higher age group?
 - a. Yes, your child can always play up in an age group if both you and the sports director are comfortable with that. However, you can never play down in an age group.
5. I requested my child to be on a certain team or with another player. Can you accommodate my request?

 - a. Full refunds are only given prior to the first practice. After the first practice, only partial refunds may be given out. All refunds are subject to a processing fee. However, we can almost always credit your account with the full amount instead of issuing a refund check.
9. Does the Y provide trophies or awards to the players?
